THANK YOU

*Thank the Lord because he is good. His love continues forever.
Psalm 106:1*

Unfortunately, saying "thank you" isn't all that common. And yet, it's what worship is all about.

Worship is when you're aware that what you've been given is far greater than what you can give. Worship is that awareness that were it not for his touch, you'd still be hurting, bitter and broken. Worship is the half-glazed expression on the parched face of a desert pilgrim as he discovers that the oasis is not a mirage.

When we try to make a science out of worship—we can't do it. No more than we can "sell love" or "negotiate peace."

Worship is a voluntary act of gratitude offered by the saved to the Saviour, by the healed to the Healer, and by the delivered to the Deliverer.

Worship is the "thank you" that refuses to be silenced.
