ST DAVID'S FOODBANK TODAY

The St David's Foodbank operates Monday to Friday from 9am to 12 noon from Madeira Lane (rear of St David's Church complex, Khyber Pass Road). Michelle Rocard is there at those times and if you would like to drop in to see how things are organised, Michelle would be only too pleased to see you.

Grateful thanks to those who have contributed to the ACPC donation this month.

Blessed is he who is kind to the needy. Proverbs 14:21

THE PAPERBAG CLUB

It's what's inside that counts

The Paperbag Club meets this coming Saturday 9th June from 4 – 5.30pm. Our thanks to Brendon Fraser for being our guest this month. Please bring a pack of cards as well as a friend or two - and enjoy the games and some magic.

JULY – SEPTEMBER 2012 ROSTER

We shall be preparing the roster for the next quarter soon. If you would like to volunteer for a job that you are not currently rostered on for (see jobs at the back of the newsletter) or you know that you will be away on certain Sundays, please contact Jean on sojewong@gmail.com or 0211411054 or see Jean this morning. Thank you.

VOLUNTEERS NEEDED for PSN PROJECT CO-OP JOBS

We are aiming to assist Presbyterian Support Northern once every three months with their Project Co-op clients. The type of assistance required will be different for each client, but often involves window cleaning, gardening or rearranging furniture around the house.

Jean is compiling a list of ACPC members who would like to assist in this community outreach. When a request is made by PSN, she will set a date for the job and contact those people on the list to see who can make it on that date.

If you would like to offer your assistance, please put your contact details on the form on the table or see Jean this morning. You may also email her at sojewong@gmail.com or text 0211411054.

SERVING WITH GLADNESS

"Serve with gladness" - [Psalm 100:2](#) NKJV

Anything God gives you is first a gift to enjoy, then a seed to sow. Do you have a good education? Leadership ability? More money than you need? God has given you seeds, so sow them.

There are basically three kinds of people: those who can't see, or refuse to see the problem; those who see the problem, but because they didn't personally create it are content to leave it to others; those who see the problem and though they didn't create it, are willing to assume responsibility for solving it.

Hudson Taylor, founder of the China Inland Mission, said, 'I used to ask God to help me. Then I asked if I might help Him. Finally I ended up asking Him to do His work through me.'

When you come to believe, really believe that service is God working through you, you'll understand that serving others is the highest calling of all.

Dr William DeVries thought that way. He's the surgeon who pioneered the artificial heart, and he's the kind of doctor who shows up at the hospital on Sunday just to cheer up discouraged patients. He even changes dressings, and if a patient wants him to stick around and talk he always does. His friends say he's 'an old shoe' who fits in wherever he goes. He wears cowboy boots with his surgical scrubs and repairs hearts to the music of Vivaldi. 'He's always got a smile lurking,' says his friend Dr Robert Goodin, 'and he's always looking for a way to let it out.'

The truth is, 'arriving' is not a place where others serve you but where you serve them 'with gladness'.
