#### Join The Party

A glad heart makes a cheerful countenance, but by sorrow of heart the spirit is broken. Proverbs 15:13

When Jesus invited people to become His disciples and follow Him, He asked them if they wanted to join His party. I realize He was talking about His group, but I like to think that traveling with Jesus was probably a lot of fun as well as a lot of hard work.

Repeatedly throughout the Gospels, we see Jesus invite people to leave their lifestyles and side with His party, and He is still issuing that invitation today. Yes, there is work to do for the kingdom of God, but thankfully we can have fun while we do it.

When we follow Jesus, we are not going to a solemn assembly or a funeral. We are joining His party that is full of life, peace, and never-ending joy!

Prayer of Thanks: Father, help me to lay aside the burdens and cares of this world and receive Your joy today. I thank You that You want me to have fun and enjoy the life You have given me. With Your help, I will celebrate Your goodness in my life today and every day.
