PERSEVERING PRAYER

"Pray without ceasing"
1 Thessalonians 5:17

One of the greatest drawbacks to the life of prayer is the fact that the answer does not come as speedily as we expect. If we consider this matter we can see there may be a reason for the delay. Our desire must grow deeper and stronger, and we must ask with our whole heart.

"Pray without ceasing." You will find it an unspeakable blessing to do so. You will ask whether your prayer is really in accordance with the will of God and the Word of God. You will inquire if it is in the right spirit and in the name of Christ. Keep on praying – you will learn that the delay in the answer to prayer is one of the most precious means of grace that God can bestow on you.

"The number of those who ate was about five thousand men, besides women and children." Matthew 14:21
